

# Thank you!

The J-Sei Board of Directors is so grateful to all community supporters who assisted in the Honor the Legacy campaign. Through the collective effort of J-Sei donors, J-Sei has met the capital campaign goal and has been able to deliver expanded services in the new Emeryville building. Thank you for helping us to achieve this important goal.

## Check Out New J-Sei Classes and Events

J-Sei's exciting and interesting array of classes and one-time educational events have been significantly expanded to meet the varied interests of Japanese American families. Classes that explore culture, Japanese language, wellness, technology, music and art are offered. Seasonal Japanese cooking, author events and historical presentations fill the building with the opportunity for lifelong learning, socialization and enjoyment. Please look up our events schedule [www.j-sei.org](http://www.j-sei.org) and join us!

## Volunteers Needed to Meet Increased Home Delivered Meal Demand

More and more seniors have been enrolling into J-Sei's home delivered Japanese lunch program. In the past two months alone, demand has grown by 37%!!! This meals on wheels program provides critical nutrition to older adults and we are not able to serve everyone without additional volunteers. J-Sei is in tremendous need of kitchen help and meal delivery drivers. (J-Sei reimburses for the drivers' mileage). Please call us to volunteer — we need you now! 510.654.4000

A BENEFIT FOR J-SEI SENIOR SERVICES AND CULTURAL PROGRAMS

# Welcome~

Welcome to J-Sei's fourth annual Flavors of Spring, benefitting senior nutrition, activities and cultural programs that help older adults and their families in the East Bay community.

We wish to extend a special thanks to the sponsors, restaurants, wineries, breweries, performers, and Mari Nakamura Design for creating such a wonderful event and experience. Your generous contribution of time and talent is a main ingredient in tonight's success and we are honored to have your support.

Thank you to our many guests. We are grateful for your support and invite you to sample the excellent tastes and sips, while indulging yourself by bidding on the silent auction items located throughout the venue. We encourage you to support our participating restaurants and establishments throughout the year.

Finally, thank you to the planning committee, J-Sei Board, staff, volunteers and the Berkeley City Club. All of you provided tireless support and energy to make this evening a great success.
